

Great Lakes Presbytery Intern Scholarship

The GLP has limited funds available for scholarships for presbytery interns intending to pursue ordination as a Teaching Elder in the Presbyterian Church in America. Applications will be considered once each year in the spring for the upcoming academic year. Scholarships are awarded on an annual basis. Applications are due by the submissions deadline for the Candidates and Credentials spring meeting (please see the Schedule of Deadlines).

The committee will use the following criteria when making an award: financial need, available funds, and prospects for ministry in GLP and the PCA. Applications should be submitted to glpcredentials@gmail.com.
